To request accommodations, please contact Caroline Kleis ([Kleis.Caroline@epa.gov](mailto:Kleis.Caroline@epa.gov)).

**Please read the following information carefully, as our meeting policies have changed:**

- All meeting attendees' cameras and microphones will be muted at the start of the meeting.
- To request access to the microphone and camera, all meeting participants will be required to use the raised hand feature on Teams. Once access has been granted by the meeting organizer, you will then be allowed to unmute your mic and turn on your camera. Unless instructed otherwise, once a participant has microphone or camera access, they will have this permission for the remainder of the meeting.
- Access to chat will be provided as well. Should it be necessary, the Q&A feature on Teams will be utilized to field participant questions.

**Compromised Meeting Plan:** If the meeting's privacy is compromised, the meeting staffer and coordinator will send an email to all Members, alternates, staffers, coordinators, and interested parties. Within the email, you will find a new meeting link, instructions on sharing this information with external partners, and any necessary adjustments to the meeting schedule. Please do NOT share this information publicly or post it to the Chesapeakebay.net webpage.

**Purpose:** To provide the WTWG with important announcements related to 2025 Progress and the Phase 7 Model.

## **II. Progress Validation Report Updates (10:15-10:35 AM)**

At the January WTWG meeting, Jess Rigelman noted that a request was made to add a tab indicating potential duplicates to the validation report for Progress. At the February WTWG meeting, Jess will ask the WTWG for final approval of the addition of the duplicates worksheet to validation reports. Jess will also share an update on new errors that will be included as a part of the validation report.

Requested Action: Decisional- Approval of the Addition of a Duplicates Worksheet to the Validation Report.

Lead: Jess Rigelman, J7 Consulting LLC

Materials: Presentation

## **III. Approval of Mapping of BMPs to Load Source Groups (10:35-11:05 AM)**

In November 2025, Jess Rigelman provided an overview of an initial proposal for how Phase 7 load sources will be mapped to BMPs. Jess returned to the WTWG in January 2026 with an update on initial feedback from the Urban Stormwater Workgroup and Agriculture Workgroups. At the February meeting, Jess will present the final matrix for WTWG approval, incorporating recommendations from the Urban Stormwater Workgroup and Agriculture Workgroup. The WTWG will be asked to approve the mapping of BMPs to load source groups for Phase 7.

Requested Action: Decisional- Approval of the Mapping of BMPs to Load Source Groups

Lead: Jess Rigelman, J7 Consulting LLC
