Conference Line: 877-985-7304 **Code:** 689-9520#

Event webpage: <http://www.chesapeakebay.net/calendar/event/25082/>

- 1:00 Announcements and Amendments to the Agenda – Lee Currey, MDE and Dave Montali, WVDEP**
- 1:05 Phase 6 Calibration Status – Gary Shenk, USGS**
The status of the Phase 6 calibration and its completion by the June 1 delivery date will be discussed. In addition, the previously decided approach to evaluating if regional factors are required in Phase 6 will be reviewed.
- 1:30 Progress and Final Steps in Phase 6 Development – Gopal Bhatt, Penn State**
The progress and the overall quality of the Phase 6 calibration will be reviewed with comparisons to WRTDS, observations, the previous Phase 5.3.2 calibration, and with the metric for evaluating the need for Phase 6 regional factors.
- 3:00 ADJOURN**
