# **Drafting the New Chesapeake Bay Watershed Agreement**

## **Architecture & Timeline**

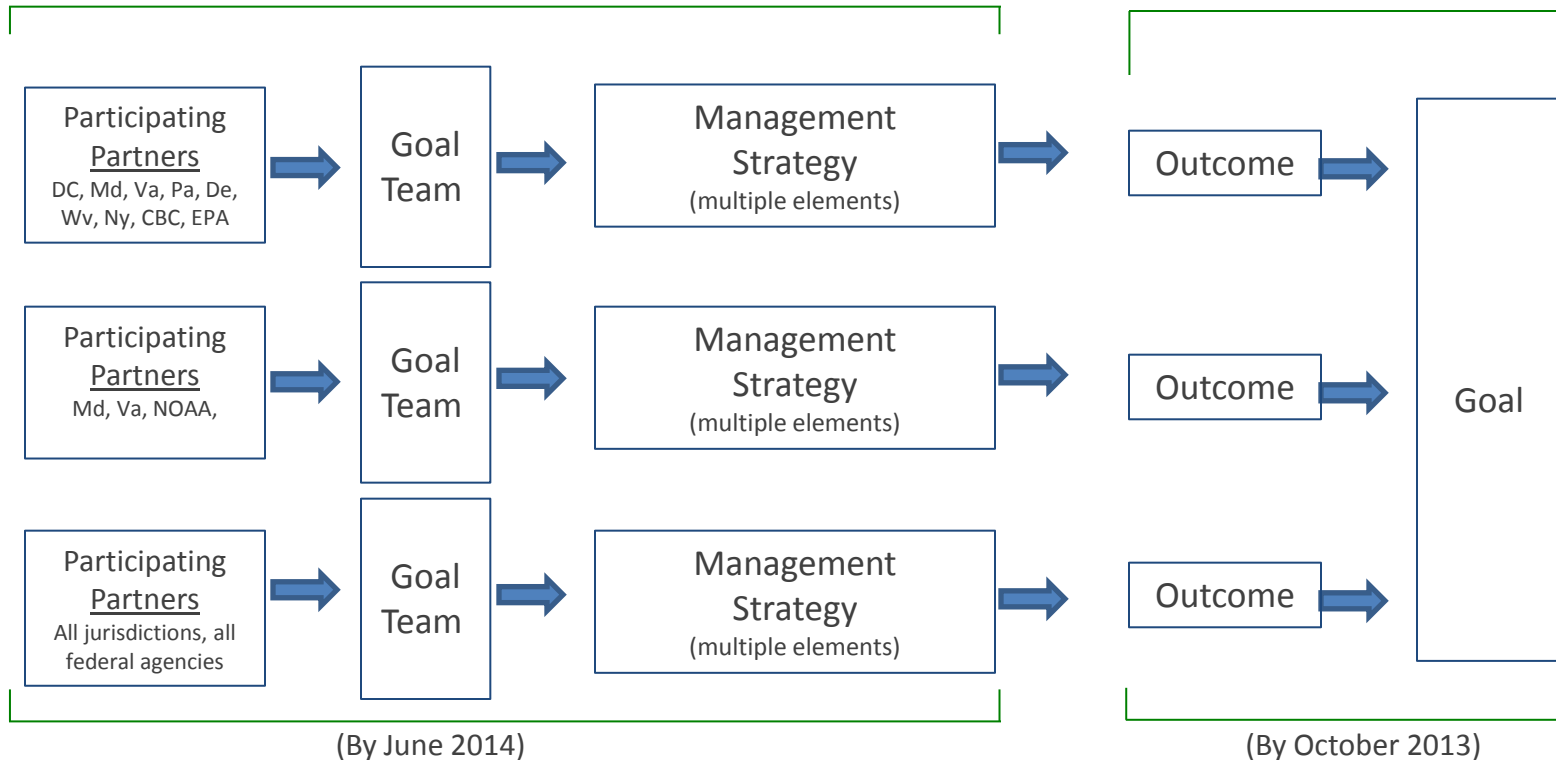

# Chesapeake Bay Watershed Agreement Architecture

## Partner Participation

After the Agreement is signed, each jurisdiction, agency and partner will indicate its level of commitment to each of the outcomes by working with the partnership to each of the outcomes as the management strategies are developed.

## All Signatories

The goals and outcomes contained in the Agreement represent the comprehensive set of actions the partnership needs to implement by 2025 to advance restoration and protection of the Chesapeake Bay ecosystem and its watershed.
