

**Urban Stormwater Workgroup
Meeting
Monday, April 30, 2012
10:00 AM to 3:00 PM**

**Joe Macknis Memorial Conference Room (Fish Shack)
410 Severn Avenue, Suite 116
Annapolis, MD 21403**

Call-in Number: 866-299-3188; code 410-267-5731

Adobe Connect: <https://epa.connectsolutions.com/uswg/>

- 10:00 Welcome, Introductions, and Review of Meeting Minutes** **Norm Goulet, Chair**
- 10:15 Urban BMP Trends in Final Phase II WIPs** **Lucinda Power, US EPA**
Lucinda will present a summary of the key urban BMPs that are being relied upon to meet the Bay TMDL (Note: State reps will go over the stormwater aspects of their individual state WIPs at the June meeting).
- 10:30 Update on CBP Adaptive Management Effort** **Greg Allen, EPA CBPO**
Greg will update the group on the Partnership's adaptive management effort and how the USWG will play a role in the future.
- 11:00 Report of the Expert Panel on Stormwater Retrofits** **Jason Papacosma, VA**
Jason will brief the workgroup on the consensus recommendations on defining nutrient and sediment removal rates for two broad classes of stormwater retrofits, present several examples on how they are calculated, and outline verification procedures. Other Expert Panel members will also be invited to provide commentary.
Action: After an opportunity for comment, the Panel will request that the Work Group endorse the recommendations, and transmit them to the WQGIT.
- 12:00 LUNCH BREAK**
- 12:45 Update on Other Expert Panels** **Tom Schueler, CSN**
Tom will solicit additional nominations for the E&S and Illicit Discharge Panels, and provide brief updates on the urban tree planting, fertilizer management and stream restoration panels, and announce a workshop on floating islands/harvested wetlands
- 1:00 Expert Panel Report on State Stormwater Performance Standards** **Randy Greer, DE DNREC**
Randy will brief the workgroup on the consensus recommendations on defining nutrient and sediment removal rates for new state stormwater performance standards as they are applied to BMP systems for new development and redevelopment projects. Randy will go over the general protocol, present several examples of how they are calculated, and the verification procedures. Other Expert Panel members will also be invited to provide commentary.
Action: After an opportunity for comment, the Panel will request that the Work Group endorse the recommendations, and transmit them to the WQGIT.

1:45	Action: Urban BMP Verification Principles and Protocols	Tom Schueler, CSN
	Tom will continue the discussion on the 3/27 revised memo on urban BMP reporting, tracking and verification. Nominees will be solicited for the urban BMP Verification Committee.	
2:30	Update on Urban BMP Cost Study	Cecilia Lane, CSN
3:00	Agenda for Next Meeting and Adjourn	Norm Goulet
