# LOOKING BACK...

# WHERE ARE WE NOW?

# THE PLANNING COMMITTEE

- Sharon Baxter, VA
- Greg Barranco, EPA
- Christine Conn, MD
- Cassie Davis, NY
- Matt Fleming, MD
- Marcia Fox, DE
- Erin Garnaas-Holmes, DC
- Megan Granato, MD
- Martha Shimkin, EPA
- Bryant Thomas, VA
- Lauren Townley, NY
- Bo Williams, EPA

THANK YOU!

# RECOMMENDED PARTNERSHIP ACTIONS

---

- Refine and prioritize climate science needs and develop a resource plan.
- A Climate Directive pilot project.
- Advance conservation finance priorities.
- Improve coordination on national funding for climate.
- Establish a learning and capacity building network.

# RECOMMENDED PARTNERSHIP ACTIONS

---

- Next steps for implementing the PSC Monitoring Report recommendations {related to climate monitoring}.
- Create a Bay-wide plan for tidal wetland restoration, marsh migration, and coastal resiliency.
- Complete climate change-related activities crosswalk and promote consistent reporting.
- Improve understanding of Best Management Practice (BMP) responses to climate change conditions.
