

# *GASIFIER FEED AUGER*

# *GASIFIER*

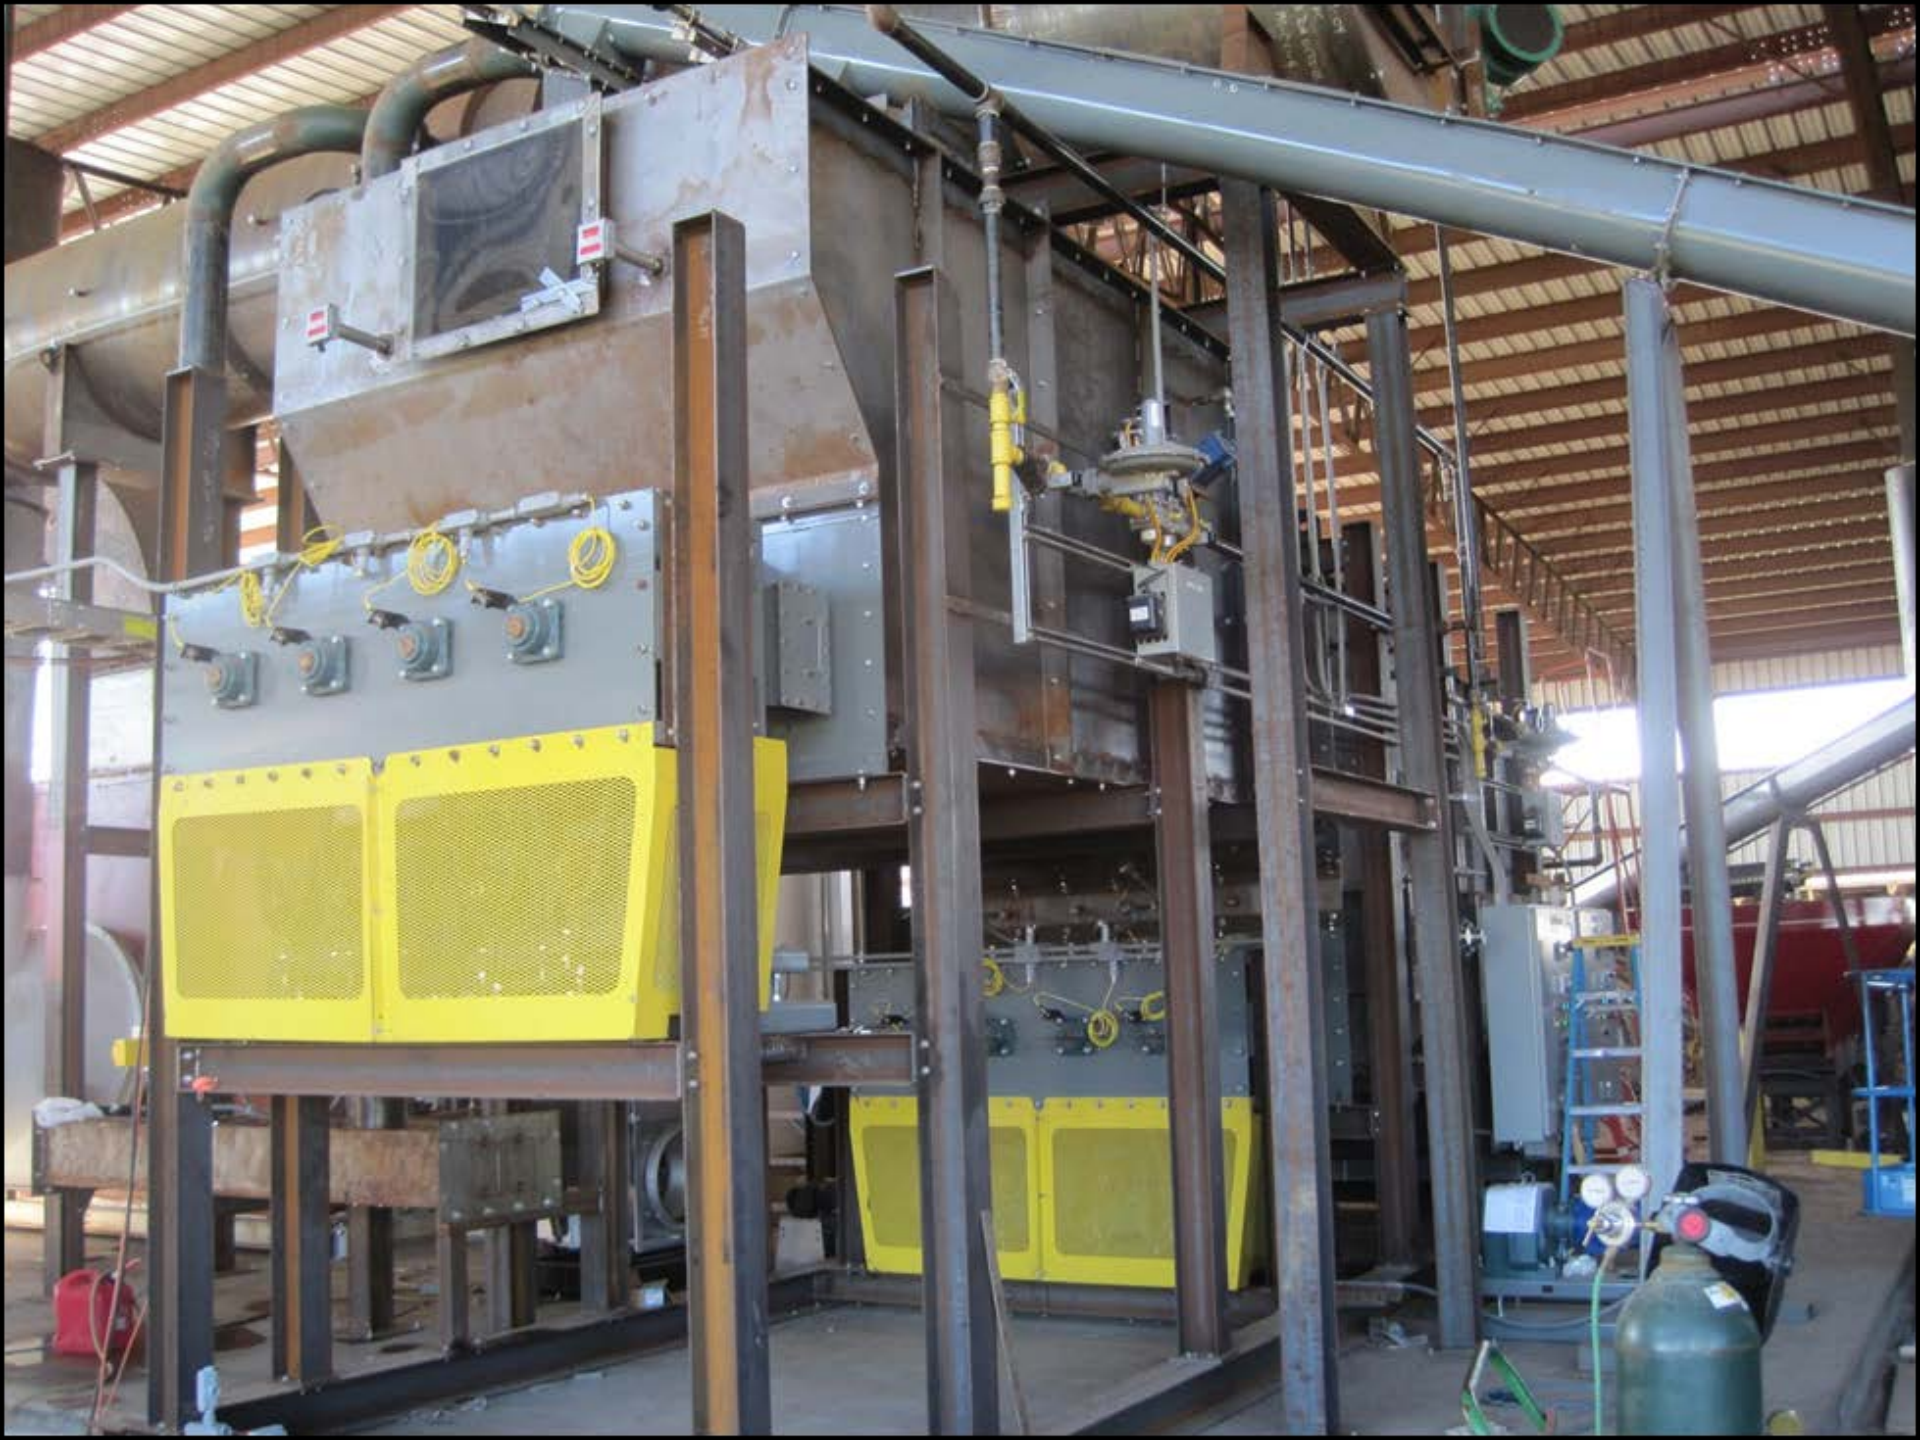

A decorative graphic consisting of a horizontal bar with a color gradient from dark blue on the left to bright orange on the right. To the right of the bar is a large, dark brown, comet-like shape that tapers to a point, with a bright orange glow at its base where it meets the bar.

- The main component of the system is the gasifier itself. The following 3 slides will show the feed end of the unit, then a view showing the feed end and one side, and finally the discharge or ash end of the unit.
