

**Jenna Mitchell**  
**Pennsylvania State Director, Alliance for the Chesapeake Bay**

Jenna Mitchell was born and raised in Lancaster County, Pennsylvania. She received a Bachelor's degree in Environmental Resource Management with minors in Environmental Soil Science and Watersheds and Water Resources. Following graduation, Jenna worked at the Lancaster County Conservation District as an Erosion and Sedimentation Technician, before moving on to the Alliance for the Chesapeake Bay as the Pennsylvania Program Manager. She has been in the role as Pennsylvania State Director since 2017.
