

Land Use Workgroup Governance Signatory Membership Nomination

State of Delaware:

Name: James Gregory

Affiliation: Delaware Department of Natural Resources and Environmental Control (DNREC)

Phone Number: 302.739.9939

Email: james.gregory@state.de.us

Biography:

Recent Master College graduate of West Chester University of Pennsylvania with a M.A. in Urban Planning and GIS. Started working for DNREC in May of 2015 following the departure of Brian Bloch. As a result of this appointment my duties include but are not limited to manage the Chesapeake Bay Land Use Model, developed by the University of Delaware Sustainable Coastal Communities Initiative. Use the model to develop and refine land use projections for communities throughout the state. Collect and analyze data related to watershed assessment and monitoring to provide technical support of pollution risks and future project interests, including data from the Environmental Protection Agency (EPA), Delaware Office of State Planning Coordination, DNREC Groundwater Discharges Section, Nanticoke Watershed Alliance, municipalities, counties within Delaware (Kent, New Castle, and Sussex), University of Delaware, Delaware Forest Service, and Conservation Districts.
