

## AGENDA

---

**Purpose:**

1. To discuss the sustainable school projects awarded under the Chesapeake Bay Trust's sustainable schools grant program and opportunities for coordination across these projects.
2. Discuss how these projects support state-level sustainable school action plans and how NOAA, EPA, CBT, and others can continue supporting state-level efforts

**10:00        WELCOME, INTRODUCTIONS**

**10:15        Project Presentations**

*Representatives from each project will provide an overview of their proposed work*

**11:45:       Group Discussion**

**12:00        Lunch (provided)**

**12:30        1 on 1 sharing**

*During this session, attendees from each jurisdiction will meet for ~10 minutes of sharing and Q&A. Sort of like speed-dating for sustainable schools*

**1:30         Collaborative Opportunities**

*Following a report-out from the prior session, we'll have facilitated and breakout conversations about opportunities for working together and roles the Partnership can play in advancing your work*

**2:45         Wrap-up, next steps**

**3:00         Adjourn**

Webinar Info: If you're unable to attend in person, remote participation is available. Please register at <https://attendee.gotowebinar.com/register/7941037289487512066>
