**AGENDA**

- 1:00 PM     **Welcome, Introductions, and Announcements** (*Walter Boynton – TMAW Chair, and Peter Tango – Interim TMAW Coordinator*)
- 1:15 PM     **Initiate discussion with TMAW on BASINs alternative monitoring options** (*Peter Tango, USGS/CBPO*)
- P. Tango will review a timeline for developing recommendations on alternative monitoring scenarios under a reduced budget. He will set the stage for an ad hoc team processes to provide feedback in the upcoming months on options, offer other alternatives for dealing with reduced funding projections while addressing CBP monitoring programming needs. Three main discussion topics:
- 1) Monitoring the mainstem of the Bay focused on achieving more accurate DO assessments in a 2-3 day window.
  - 2) Citizen Monitoring: Can it be integrated into our monitoring program? If so, how?
  - 3) Shallow water monitoring: How to transition to the next phase (Ad Hoc Team).
- 2:15 PM     **Wrap up BASIN discussions**
- 2:30 PM     **Adjourn**
