## **AGENDA**

- 10:00 am**      **Welcome and Introductions** – *Alana Hartman*
- 10:05 am**      **Approval of February meeting minutes** – *Hartman* (Attachment A)
- 10:10 am**      **Approval of additional ATS Panel members** - *Johnston*
- 10:15 am**      **Action Item: Approval of Stream Restoration Expert Panel Recommendations** –  
*Tom Schueler, Chesapeake Stormwater Network*
- Tom will present a summary of comments received during the 45 day review period and the Urban Stormwater Workgroup (USWG) meeting and options for their proposed resolution (Attachment B, C, K and L). Workgroup will be asked to provide feedback and approve the report, as revised, to be transmitted to the Water Quality Goal Implementation Team.
- 10:50 am**      **Action Item: Approval of Urban Nutrient Management Expert Panel Recommendations** – *Tom Schueler, Chesapeake Stormwater Network*
- Tom will present a summary of comments received during the 45 day review period and the USWG meeting and options for their proposed resolution (Attachments D and E). Workgroup will be asked to provide feedback and approve the report, as revised, to be transmitted to the Water Quality Goal Implementation Team.
- 11:30 am**      **Stormwater Performance Standards Flow Charts, Defaults and Reporting Requirements** - *Matt Johnston* (Attachment F)
- Matt will present a flow chart that describes options for how states can report BMPs under old and new performance standards. The USWG decided that no default value is appropriate, i.e. default = zero credit.
- 12:15 pm**      **Lunch** (on your own)
- 1:15 pm**      **Phase 6 Land Uses** – *Peter Claggett, USGS* (Attachment G)
- Peter will ask WTWG to provide feedback to the Land Use Workgroup and source sector workgroups regarding the feasibility of placing BMPs on the draft Phase 6 land uses in the past and in the future. Peter will present the current land uses and status of the Land Use Workgroup's process of developing the final Phase 6 land uses.
- 2:00 pm**      **Recap of 2012 Progress** – *Olivia Devereux, Devereux Environmental Consulting*
- Olivia will present an overview of findings from the 2012 progress reporting period. This brief

overview will give states an opportunity to make general comments regarding 2012 progress reporting. A full lessons-learned discussion will be conducted at the April meeting.

**2:15 pm            Agriculture Modeling Sub-Group – *Matt Johnston***

- Matt will announce the planned formation of an agriculture modeling sub-group within the Agriculture Workgroup. Many issues face the source sector workgroups in the mid-point assessment process, and we will continue to determine the best fit for our WTWG's expertise and voice regarding data tracking and reporting issues related to any changes to Scenario Builder and the Watershed Model.

**2:30 pm            Jurisdictions Request More Information for BMP History Clean-up – *Hartman***

- Open discussion to allow jurisdictions to confirm, elaborate on, or add to requests for information that were stated at the February meeting. April's conference call will include responses to some of these.

**3:00 pm            Adjourn**

**Next conference call:**
