---

10:00 AM **Welcome, Introductions, and Announcements** —Tanya Spano (Chair)

**Action item:** Approval of September minutes.

10:10 AM **2025 Accounting for Growth Projections (Joint USWG/WWTWG Briefing)** –Peter Claggett, USGS

Peter will present each jurisdiction's 2025 land use projections in the final Phase 6 modeling tools. Emphasis will be placed on 2025 land use projections for the stormwater and wastewater source sectors.

**No action required. Briefing is for informational purposes only.**

10:40 AM **Update on Comments on Boat Pump-Out BMP Draft Expert Panel Report** –Tanya Spano, MWCOG, and Lew Linker, CBP

The Chesapeake Bay Boat Pump Out BMP Expert Review Panel was requested by the WWTWG and convened in February 2016. The panel developed the baseline load estimates for the recreational boating nutrient load into the Maryland and Virginia portions of the Chesapeake Bay and provided recommendations on related BMP crediting and verification. The workgroup tentatively approved the report and recommendations.

The WQGIT has charged the WWTWG to reconsider elements of the proposed BMP for applicability to type III commercial vessels in No-Discharge Zones. The WWTWG will review the comments received on the draft expert panel report and discuss responses to comments.

**Action Requested:** WWTWG approval of path forward for developing responses to Boat Pump-Out comments, and point of contact for completing draft responses and outreach to reviewers of the expert panel report.

Attachment 3. Boat Pump-Out Compiled Comments

11:00 AM      **Climate Change Narrative Guidance for the Phase III WIPs** – Tanya Spano (Chair)

Tanya will brief the WWTWG on the updates to the draft narrative guidance for the Phase III WIPs for inclusion of climate resiliency considerations in the wastewater source-sector.

**Action Requested:** WWTWG approval of wastewater-inclusive language in the climate change narrative guidance.

11:40 AM      **Call for New WWTWG Leadership**– Tanya Spano (Chair)

After lending her expertise to the WWTWG and WQGIT for many years, Tanya Spano is retiring from MWCOG and will be resigning as chair of the WWTWG. WWTWG members are asked to consider potential nominees for the position of WWTWG chair, as well as WWTWG coordinator and/or vice-chair.

**Action Requested:** Nomination and WWTWG approval of a WWTWG chair

**Action Requested:** Nomination and WWTWG approval of a WWTWG vice-chair and/or coordinator
